Educational Background and Business Experience

Phillip Guerra, DO is a board-certified anesthesiologist practicing in the Dallas-Fort Worth Metroplex. He received his medical degree from the University of North Texas in Fort Worth and completed his anesthesia residency at University of Texas at Houston. Dr. Guerra has experience in various computer programming languages, including C++, VBScript/ASP, SQL, SAS, R and VBA. He has completed various masters-level courses in finance, accounting, economics and statistics from University of Texas at Arlington and the University of Texas School of Public Health. Combining a scientific, evidenced-based framework from his medical background along with his interests in computer science and finance, Dr. Guerra has used his skills to develop and test active and passive algorithmic investment models. Dr. Guerra specializes in dynamic asset allocation, factor-based investing, and risk parity. He holds a Series 65 securities license.

Dr. Guerra is currently employed by US Anesthesia Partners, and his employment began in July 2008. From July 2005 to July 2008, Dr. Guerra was employed by UT Anesthesiology Houston, where he was doing his residency.

Disciplinary Action

Dr. Guerra is not currently subject to any disciplinary actions by state, federal or industry regulators, nor has he been subject to any historical disciplinary actions.

Other Business Activities

Dr. Guerra is an anesthesiologist and works in Arlington and Fort Worth, Texas as a full-time employee of US Anesthesia Partners (USAP), one of the largest, single-specialty anesthesiology firms in the country.

Additional Compensation

Dr. Guerra is a practicing anesthesiologist and receives W-2 income and benefits from his full-time employer, US Anesthesia Partners. There are no other additional disclosures.

Supervision

Dr. Guerra is supervised by Charles Lewis Sizemore, CFA, the principal of the firm. Additionally, as a holder of the Series 65 "Uniform Investment Adviser Law Examination" securities license,
